Re: Debt-Management registration for LIBERTY DEBT RELIEF LLC

Dear LETTY GUDINO:

The Division of Consumer Protection received your application for registration under the Uniformed Debt-Management Services Act ("Act"). Based on the information that you provided, your application appears to meet the requirements for registration under the Act.

In reviewing the 2022 and 2021 audited financial statements for Liberty Debt, there is concern of the company's future financial health. Both years included notes of 'Substantial doubt of the Company's ability to continue as a going concern', as well as metrics leading to poor financial performance ratio calculations. The company should be made aware that improvement in financial health must be demonstrated within their financial statements during the next renewal review.

The permit expiration date is **06/30/2024**. A renewal application must be filed no fewer than 30 days and no more than 60 days before the registration expires. For your convenience the Uniformed Debt-Management Services Permit Application form is available on-line at www.dcp.utah.gov.

If you have any questions, please call.

Sincerely,

Marcia Corak, Compliance Specialist
Utah Division of Consumer Protection
